

## Motion Design Artist

### Job description

- Working closely with the creative team and project managers to develop solutions that bring fresh creative thinking to the work, and achieve our clients' goals.
- Collaborating with script writers/visualizers to conceptualize and translate written scripts into visual storyboards and style frames
- Designing and creating illustrations, characters, typography, layouts, backgrounds and any other assets required for motion graphics and animation.
- Maintaining organization and communication in a team setting.
- Create 2D / 2.5D motion graphics and animations based on brief/concept/storyboard.
- Work with project managers to hit critical project due dates.
- Proficiency in Adobe Premiere Pro would be an added advantage.
